Your initial coverage under The Policy will begin, and will not be deferred if on the day before the Effective Date, You were:

- 1) insured under the Prior Policy; and
- 2) Actively at Work or on an authorized family and medical leave;

but on the Effective Date, You were not Actively at Work, but would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the amount of accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

Dependent Effective Date: *When does Dependent coverage start?*

- 1) the date You become eligible for Dependent coverage, if You have enrolled on or before that date; or

unless continued in accordance with the continuation provisions.

Continuation Provisions: *Can my coverage and coverage for my Dependents be continued beyond the date it would otherwise terminate?*

Coverage under The Policy may be continued, at Your Employer's option, beyond a date shown in the Termination provision, provided Your Employer provides a plan of continuation which applies to all employees the same way. Coverage may not be continued under more than one Continuation Provision.

The amount of continued coverage (applicable to You or Your Dependents) will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if:
 - a) The Policy terminates;
 - b) Your Employer ceases to be a Participating Employer.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Lay Off: If You are laid off by the Employer due to lack of work, Your coverage (including Dependent Accidental Death and Dismemberment coverage) may be continued until 120 days following the month in which the layoff commenced.

Coverage for Your Dependent will continue until the earliest of:

- 1) the date Your Dependents no longer meet the definition of Dependents;
- 2) the date We or Your Employer terminate Dependents coverage; or
- 3) the date Your coverage terminates.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Children with Disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and
- 2) disabled;

then Dependent Child(ren) coverage will not terminate solely due to age. However:

- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
- 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Dependent Accidental Death and Dismemberment Insurance for such Dependent Children will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your and Your Dependent's Accidental Death and Dismemberment Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Disabled: *What does Disabled mean?*

Disabled means You are wholly and continuously prevented from performing any work or occupation for wage or profit, for which You are reasonably qualified or trained, as a result of injury or sickness.

If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are disabled.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 60 when You become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 9 consecutive month(s), starting on the date You were last Actively at Work; and
- 3) provide such proof within one year of the date You became Disabled.

Refund of Premium: *Will premiums be refunded if I am Disabled?*

When You are approved for Waiver of Premium, We will refund to You, or to Your estate if You have died, any premiums paid during the period You have been continuously Disabled.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us then Waiver of Premium ceases.

However, if We deny Your application for Waiver of Premium, You may be eligible to convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 month(s) that You are Disabled, the 9 month(s) waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month(s) period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain age 65 if Disabled prior to age 60.

We will waive premium payments for Your Dependent Accidental Death and Dismemberment Insurance and continue such coverage, while You remain Disabled, until the earliest of the date:

- 1) You die;
- 2) You no longer qualify for Waiver of Premium;
- 3) The Policy terminates;
- 4) You attain age 60;
- 5) Your Dependents are no longer in an Eligible Class, or Dependent coverage is no longer offered; or
- 6) Your Dependent no longer meets the definition of Dependent.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage for Yourself and Your Dependents, as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You and Your Dependent may be eligible to exercise the Conversion Right for You and Your Dependents if You do so within the time limits described in such provision. The Amount of Accidental Death and Dismemberment Insurance that may be converted will be subject to the terms and conditions of the Conversion Right.

Effect of Policy Termination: *What happens to the Waiver of Premium if Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium:

- 1) Your Dependent coverage will terminate; and
- 2) Your coverage under the terms of this provision will not be affected.

Exercise of Conversion Right: *What happens to the Waiver of Premium Provision if I convert my coverage?*

If You exercise Your right under the Conversion Right, this Waiver of Premium provision will automatically terminate. However, You may still be eligible for this Waiver of Premium provision, if, within 12 months of conversion of Your coverage to an individual policy:

- 1) You fulfill all the conditions of the Waiver of Premium provision; and
- 2) You surrender the individual policy and all benefits and payments under the individual policy except for any refund of premiums.

Conversion Right: *If my coverage under Policy ends, do I have a right to conversion?*

If You and Your Dependents cease to be covered under The Policy because You cease to be eligible for coverage and:

- 1) The Policy has not terminated; and
- 2) You have paid any required premium;

You have a Conversion Right as provided below.

The Conversion Right allows You to request coverage under a conversion policy from the Insurer, without giving medical evidence of insurability, to cover Yourself and Your Dependents who are covered under Policy on the date Your coverage ceases. Dependents who continue to be covered under Policy in the same or a different class cannot be covered under Your converted policy.

Insurer, as used for this Conversion Right, means Us or another insurance company which has agreed with Us to issue converted policies according to this conversion right.

You must:

- 1) give the Insurer a written request for the converted policy; and
- 2) pay the Insurer the initial premium;

within 31 days after You cease to be covered under The Policy.

The Conversion Right will provide a converted policy that:

- 1) will have the provisions, limitations and exclusions on the form the Insurer is issuing for this purpose at conversion;
- 2) will provide coverage on a twenty four hour a day basis;
- 3) will provide benefits for Accidental Death and Dismemberment alone;
- 4) will take effect on the date You cease to be covered under The Policy;
- 5) may exclude any condition excluded by The Policy;
- 6) will not pay for any loss covered by The Policy;
- 7) will provide a Principal Sum for You which will be:
 - a) the amount of Your Principal Sum under The Policy on the date of conversion, rounded to the nearest \$1,000, subject to a minimum of \$10,000 and a maximum of \$250,000, if You are under age 70;
 - b) \$10,000, if You are age 70 or older but less than age 75; or
 - c) \$5,000, if You are age 75 or older;
- 8) will have premiums based on the Insurer's rates in effect for new applicants of Your class and age at conversion.

The Principal Sum amounts for Your Dependents who become covered under the converted policy will be the amounts We are offering for this purpose at conversion.

The Principal Sum amounts for Your Dependents who become covered under the converted policy will be the amounts We are offering for this purpose at conversion.

Reinstatement after Military Service: *Can my coverage be reinstated after return from active military service?*

If:

- 1) Your coverage terminates because You enter active military service; and
- 2) You are rehired within 12 months of the date Your coverage terminated;

then coverage for You and Your previously covered Spouse/Dependents may be reinstated, provided You request such reinstatement within 31 days of the date You return to work.

The reinstated coverage will be the same coverage amounts in force on the date coverage terminated and will be subject to all the terms and provisions of The Policy.

For Vermont residents:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
