

THE CARE COST ESTIMATOR

BEST COST AND QUALITY

TAKE CHARGE OF YOUR HEALTH CARE

Help control your health care expenses by estimating the costs for the care you need at different providers. The online Care Cost Estimator lets you understand your options and shop for the best value, just like comparison shopping for other important purchases.

Did you know...

Common health care services, like x-rays and lab tests, can cost from 30 to 50 percent more depending on where you go. We help you search almost all of these services to find the best price.

HOW THE CARE COST ESTIMATOR WORKS

The Care Cost Estimator makes it easy to compare cost estimates for more than 1,600 procedures performed by different doctors and hospitals to find the best value. You can easily search for a procedure, and filter your search results by location, by family member and quality measures.

Works with all mobile platforms for searching on the go; ideal for talking about your options at the doctor's office.
